

CONSENT FORM

I, _____, hereby allow The Journal of the Norwegian Medical Association to publish images of me and/or text about me that may be recognizable to others.

The images and text may be published both in the journal's printed version and on the web site. Please note that the journal's web site has open access. I understand the implications of the statements above.

I have seen/have been offered the opportunity to see all relevant images. I have read/have been offered the opportunity to read the legends/the article text, or the content has been explained to me.
